Yum Yums

(From my Great-grandma Sears)

Makes:

1 – 9 x 9 pan. Cut into 12-16 bars.

Crust:

1 1/4 cups Flour
1/2 cups Butter
2 tablespoons Brown Sugar

Mix until crumbly then pack in shallow dish (I usually use a 9 x 9).

Topping:

In a separate bowl mix:
2 slightly beaten eggs
1 1/2 cups Brown Sugar
1/4 teaspoons Salt
1 teaspoon Vanilla
1 cup Coconut
1 cup chopped nuts (I use pecans, my mom uses walnuts)

Pour mixture over the packed crust.

Bake at 375 for 25 - 30 min or until browned on the bottom if you use a glass dish and can see or till the top is a little toasty. In the end it should end up with a flakey crust on the bottom, gooey middle layer and then a crispy top.
