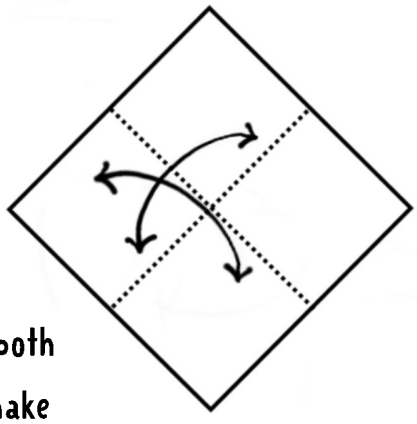
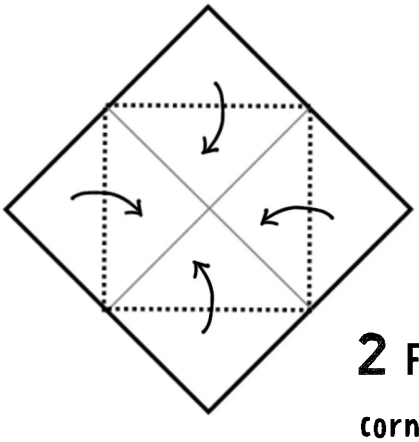
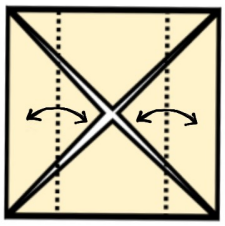
Origami Box



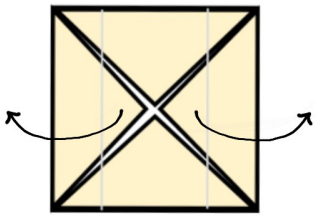
1 Fold in half both directions to make creases and then unfold



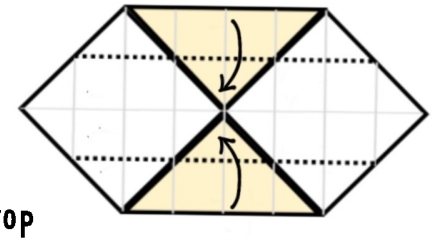
2 Fold each corner in to meet the center line



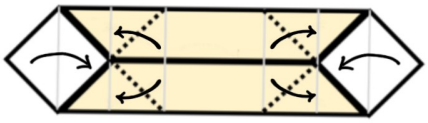
3 Fold sides in to make creases and unfold



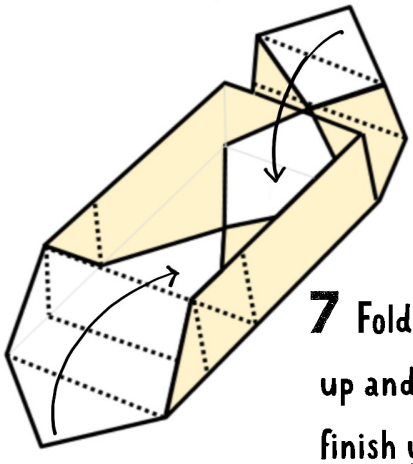
4 Unfold the side triangles



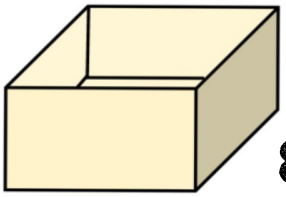
5 Fold in the top and bottom to meet the center line



6 Open and fold in the creases to form the box



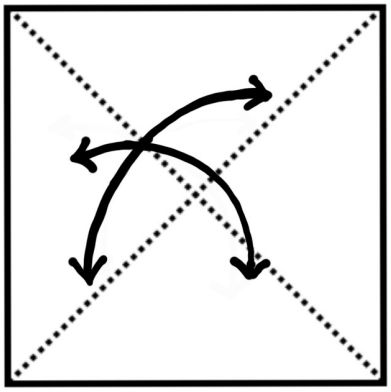
7 Fold the sides up and over to finish your box



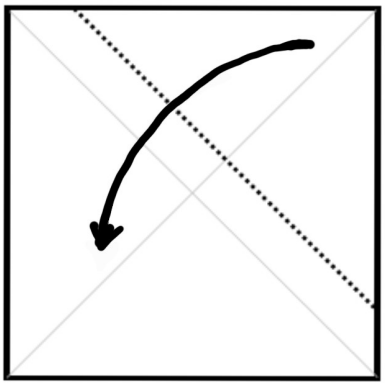
8 Done!

The Bookakery

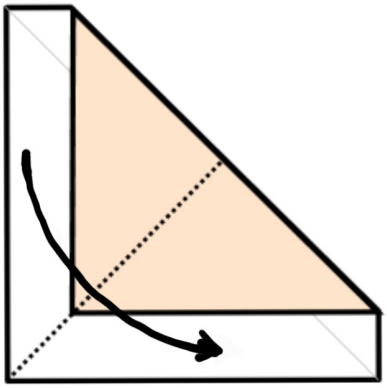
Origami Turtle



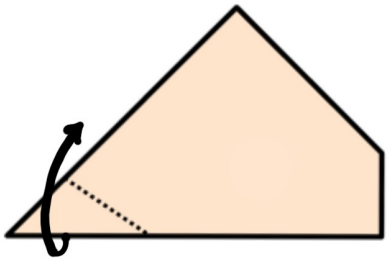
1 Fold in half both directions to make creases and then unfold



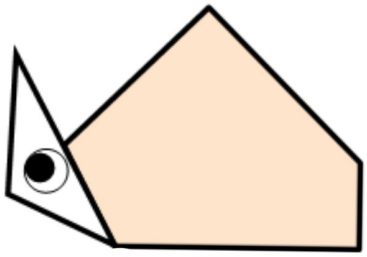
2 Fold one corner down, not completely in half



3 Fold in half on the crease you made in Step 1



4 Flip and fold the corner inside out to make the turtle's head



5 Draw eyes, or add googly eyes, and decorate your turtle's shell.
